Description

Amount

Our records in RVS software for your water system shows that at the time of the transfer of the Vista Verde Water system, the previously owner George H. Davis, had a total of 2000.00 dollars made in deposits from customers.

Please see the attached deposit print off from the RVS bookkeeping records.

However, it is hard for me to track this transaction due to the former employee not keeping records over the course of the transactions. I cannot make an accurate invoice due to the lack of record keeping.

THANK YOU FOR YOUR BUSINESS!
