NOTICE FOR PUBLICATION

NOTICE OF APPLICATION TO AMEND/DECERTIFY A PORTION OF
A CERTIFICATE OF CONVENIENCE AND NECESSITY (CCN) NO. 12781
IN HARRIS COUNTY, TEXAS

The Commons Water Supply, Inc., has filed an application with the Public Utility Commission of Texas to decertify a portion of their water CCN No. 12781 in Harris County.

The area subject to this transaction is located approximately 5 miles north-east of downtown Kingwood, Texas, and is generally bounded on the north by Lago Trace Drive; on the east by FM 2100; on the south by Magnolia Point Drive; and on the west by East Fork San Jacinto River.

The total area being requested includes approximately 144 acres and serves 0 current customers.

A copy of the proposed service area map is available at: 3303 W. Davis Street, Suite 100, Huffman, TX 77304, 512-472-8021.

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number, or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Persons who wish to intervene or comment should write the:

Filing Clerk
Public Utility Commission of Texas
1701 North Congress Avenue
P.O. Box 13326
Austin, Texas 78711-3326

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, the commission will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY NOTICE OF RECEIPT OF APPLICATION AND INTENT TO OBTAIN WATER QUALITY PERMIT RENEWAL

PERMIT NO. WQ0010495076

APPLICATION: City of Houston, Department of Public Works and Engineering, P.O. Box 1562, Houston, Texas 77251, has applied to the Texas Commission on Environmental Quality (TCEQ) to renew Texas Pollutant Discharge Elimination System (TPDES) Permit No. WQ0010495076 (EPA ID: No. TX0063011) to authorize the discharge of treated wastewater at a volume not to exceed an annual average flow of 18,000,000 gallons per day. The domestic wastewater treatment facility is located at 5423 Mangum Road, Houston, in Harris County, Texas 77091. The discharge route is from the plant site to Cole Creek, thence to Whiteoak Bayou Above Tidal. TCEQ received this application on September 1, 2016. The permit application is available for viewing and copying at the City of Houston Department of Public Works and Engineering, Wastewater Operations, 10500 Bellaire Boulevard, Houston, Texas. This link to an electronic map of the site or facility's general location is provided as a public courtesy and not part of the application or notice. For exact location, refer to application: <http://www.tceq.texas.gov/assets/public/hs610/index.html?lat=29.84478&lng=-95.46293&zoom=13&type=t>

ADDITIONAL NOTICE: TCEQ's Executive Director has determined the application is administratively complete and will conduct a technical review of the application. After technical review of the application is complete, the Executive Director may prepare a draft permit and will issue a preliminary decision on the application. Notice of the Application and Preliminary Decision will be published and mailed to those who are on the county-wide mailing list and to those who are on the mailing list for this application. That notice will contain the deadline for submitting public comments.

PUBLIC COMMENT/PUBLIC MEETING. You may submit public comments or request a public meeting on this application. The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. TCEQ will hold a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

OPPORTUNITY FOR A CONTESTED CASE HEARING. After the deadline for submitting public comments, the Executive Director will consider all timely comments and prepare a response to all relevant and material, or significant public comments. Unless the application is directly referred for a contested case hearing, the response to comments, and the Executive Director's decision on the application, will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application. If comments are received, the mailing will also provide instructions for requesting reconsideration of the Executive Director's decision and for requesting a contested case hearing. A contested case hearing is a legal proceeding similar to a civil trial in state district court.

TO REQUEST A CONTESTED CASE HEARING, YOU MUST INCLUDE THE FOLLOWING ITEMS IN YOUR REQUEST: your name, address, phone number; applicant's name and proposed permit number; the location and distance of your property/activities relative to the proposed facility; a specific description of how you would be adversely affected by the facility in a way not common to the general public; a list of all disputed issues of fact that you submit during the comment period and the statement "I/we request a contested case hearing." If the request for contested case hearing is filed on behalf of a group or association, the request must designate the group's representative for receiving future correspondence; identify by name and physical address an individual member of the group who would be adversely affected by the proposed facility or activity; provide the information discussed above regarding the affected member's location and distance from the facility or activity; explain how and why the member would be affected; and explain how the interests the group seeks to protect are relevant to the group's purpose. Following the close of all applicable comment and request periods, the Executive Director will forward the application and any requests for reconsideration or for a contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting. The Commission may only grant a request for a
