OF TEXAS  
PUBLIC UTILITY COMMISSION  
FILING CLERK

**ORDER NO. 2  
GRANTING EXTENSION AND REVISING DEADLINE**

This Order addresses Commission Staff's unopposed good cause request for an extension of time to file comments regarding the administrative completeness of this application.

On August 25, 2016, Commission Staff stated that The Commons intended to supplement its application with the appropriate forms in order for Commission Staff to complete its review of the supplemented application; however, while The Commons intended to amend its water certificate of convenience and necessity (CCN) application to the appropriate Commission form, The Commons erroneously filed a petition to discontinue service (and cancel) a CCN. Commission Staff indicated that The Commons plans to file the correct application and supplement thereto.

For the foregoing reasons, Commission Staff's unopposed request for an extension is granted. On or before **October 10, 2016**, Commission Staff shall file comments on the administrative completeness of the application and proposed notice and propose a procedural schedule, if appropriate.

SIGNED AT AUSTIN, TEXAS the 26<sup>th</sup> day of August 2016.
