Gentlemen:

Enclosed please find my prepared Ratepayer Protest for P.U.C. Docket No. 46245 for The Cliff's Resort, Graford, Texas with respect to the proposal by Double Diamond Utilities Company ("DDUC") wherein they filed a request with the Public Utilities Commission of Texas ("PUC") to increase rates at The Cliff's Resort in Graford, Texas.

I am a property and home owner with address 140 Oyster Bay, Graford, Texas 76449 and wish to submit the protest in accordance with the rules opposing any rate increase to be granted by the PUC in this matter

Our residents have experienced not less than five outages of water supply since April 2016, including, but not limited to, several three day interruptions and yet no rate refund or satisfactory explanation was provided by DDUC in this matter

Further, the water pressure at my residence is extremely low and in most cases we have been able to measure that the water output is less than one gallon per minute making necessary personal use of water extremely difficult.

This situation represents a serious matter with respect to a conflict of interest in the operation of a commercial resort property and a homeowner's utility by Double Diamond Utilities and Double Diamond Corporation.

106

Again, please accept my protest for the captioned docket and I request that you please send a response to the above address or to email at tedgmon@higginbotham.net as to any further requirements needed in this matter.

Sincerely,

Tim Edgmon
