On March 1, 2017, Double Diamond Utility Company, Inc. (DDU) filed a status report and stated that it had refunded amounts collected under a proposed rate increase effective October 1, 2016. DDU also indicated that it may file an amended application and requested an additional 60-day abatement. According to DDU, it intends to file either another status report or a proposed procedural schedule by May 1, 2017.

Accordingly, the Administrative Law Judge grants DDU's request and continues the abatement of this proceeding and the suspension of the proposed rates. DDU must file either a status report or a jointly proposed procedural schedule by May 1, 2017.
