II. **INSTRUCTIONS**

1. These discovery requests must be answered in strict compliance with the orders of the Administrative Law Judge hearing this Docket, the Texas Rules of Civil Procedure and the rules of PUC.
2. Your answers to the interrogatories must be answered separately and fully in writing, and the answers must be signed and verified under oath by the person making the answers.
3. In those instances when the responding party chooses to answer an interrogatory by referring to a specific document or record, the specification must be in sufficient detail to permit the requesting party to locate and identify the records and/or documents from which the answer is to be ascertained as readily as the party served with the request.
4. Whenever you are asked in these discovery requests to describe, identify or produce documents, the term “documents” is not limited to documents in your actual or constructive possession, custody or control (as defined by Tex. R. Civ. P. 192.7(b)), but also includes all documents that you know to exist or which have existed or which you have reason to suspect to be in existence or to have been in existence, irrespective of whether the document is one intended for or transmitted internally by you or intended for or transmitted to any other person or entity, including without limitation any governmental agency, department, administrative entity, or their personnel.

Civ. P. 192.7(b), please identify (by name, address and telephone number) the person whom you believe to have such possession, custody or control.
6. If a discovery request calls upon you to state your legal or factual contentions and/or the legal or factual basis for your contentions in this lawsuit, you should respond in accordance with Tex. R. Civ. P. 192.3(j). Such requests do not seek to require you to marshal all of your evidence.
