RE: Docket No. 46245 – Application of Double Diamond Utility Company, Inc. for Water and Sewer Rate/Tariff Change

DATE: August 21, 2018

Please prepare updated tariffs for Double Diamond Utilities' water and sewer systems at White Bluff and The Cliffs that reflect the decisions of the Commission in this proceeding, and file the tariffs in this docket. There should be a water tariff and a sewer tariff for White Bluff and The Cliffs.

Also, prepare a second set of tariffs to be sent to Central Records after the final order is issued to be stamped *Approved* and retained by the Commission in its tariff book.

The updated tariffs should reflect the rates generated by Commission Staff's number run, filed May 21, 2018, reflecting the decisions of the Commission at the May 10, 2018 open meeting.

Please provide us with the updated tariffs by August 28, 2018. If you need more time, please advise.
