**ORDER NO. 3  
FINDING NOTICE DEFICIENT AND  
ESTABLISHING DEADLINES**

This Order addresses Commission Staff's recommendation regarding the sufficiency of Dal-High Water Supply's notice. Commission Staff stated that Dal-High filed notice documentation on October 7, 2016, but failed to include a list of the notice recipients as indicated in the memorandum of Ricky Herrera and Gary Horton, Jr. of the Water Utility Regulation Division. Commission Staff recommends that Dal-High be ordered to file the list of the current customers, neighboring systems, and cities who received mailed notice of the application.

Consistent with Commission Staff's recommendation, Dal-High's notice is deficient and Dal-High shall submit a list of notice recipients as indicated in Commission Staff's memorandum. The following procedural schedule is adopted:

EVENT	DATE
Deadline for applicant to file list of notice requirements	November 16, 2016
Deadline for Commission Staff to file a recommendation on sufficiency of notice	December 7, 2016

Signed at Austin, Texas the 19<sup>th</sup> day of October 2016.
