(Address)
Athens, Tx. 75751
(City State Zip)

L&T Water Works
1560 ACR 485
Palestine, TX 75803

has submitted an application with the Public Utility Commission of Texas (Commission) to purchase water facilities and to cancel water CCN No. 12830 of:

Dal High Water System
P.O. Box 744
Athens, TX 75751

The sale is scheduled to take place as approved by the Commission (V.T.C.A., Water Code § 13.301). The transaction and the transfer of the CCN includes the following subdivision: Dal-High.

The area subject to this transaction is located approximately 2 miles northwest of downtown Athens, Texas, and is generally bounded on the north by Caney Creek; on the east by One Mile Creek; on the south by City of Athens; and on the west by US 175.

The total proposed area for the water CCN being requested includes approximately 32 acres and 46 current customers.

This transaction will have the following effect on the current customers' rates and services: No effect to customers at this time.

Affected persons may file written protests and/or request a public hearing within 30 days of this notice.

To request a hearing, you must:

- (1) state your name, mailing address and daytime telephone number;
- (2) state the applicant's name, application number or another recognizable reference to this application;
- (3) the statement "I/we request a public hearing";
- (4) write a brief description of how you, the persons you represent, or the public interest would be adversely affected by the proposed transaction and transfer of the CCN; and

(5) state your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Only those persons who submit a written request to be notified of a hearing will receive notice if a hearing is scheduled.

Persons who wish to intervene or comment should file a request in writing within thirty (30) days from the date of this publication or notice with:

Filing Clerk
Public Utility Commission of Texas
1701 North Congress Avenue
P.O. Box 13326
Austin, Texas 78711-3326

A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, Commission will not transfer the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

has submitted an application with the Public Utility Commission of Texas (Commission) to purchase water facilities and to cancel water CCN No. 12830 of:

Dal High Water System
P.O. Box 744
Athens, TX 75751

The sale is scheduled to take place as approved by the Commission (V.T.C.A., Water Code § 13.301). The transaction and the transfer of the CCN includes the following subdivision: Dal-High.

The area subject to this transaction is located approximately 2 miles northwest of downtown Athens, Texas, and is generally bounded on the north by Caney Creek; on the east by One Mile Creek; on the south by City of Athens; and on the west by US 175.

The total proposed area for the water CCN being requested includes approximately 32 acres and 46 current customers.

This transaction will have the following effect on the current customers' rates and services: No effect to customers at this time.

Affected persons may file written protests and/or request a public hearing within 30 days of this notice.

To request a hearing, you must:

- (1) state your name, mailing address and daytime telephone number;
- (2) state the applicant's name, application number or another recognizable reference to this application;
- (3) the statement "I/we request a public hearing";
- (4) write a brief description of how you, the persons you represent, or the public interest would be adversely affected by the proposed transaction and transfer of the CCN; and

(5) state your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Only those persons who submit a written request to be notified of a hearing will receive notice if a hearing is scheduled.

Persons who wish to intervene or comment should file a request in writing within thirty (30) days from the date of this publication or notice with:

Filing Clerk
Public Utility Commission of Texas
1701 North Congress Avenue
P.O. Box 13326
Austin, Texas 78711-3326

A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, Commission will not transfer the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

- (4) write a brief description of how you, the persons you represent, or the public interest would be adversely affected by the proposed transaction and transfer of the CCN; and

(5) state your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Only those persons who submit a written request to be notified of a hearing will receive notice if a hearing is scheduled.

Persons who wish to intervene or comment should file a request in writing within thirty (30) days from the date of this publication or notice with:

Filing Clerk
Public Utility Commission of Texas
1701 North Congress Avenue
P.O. Box 13326
Austin, Texas 78711-3326

A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, Commission will not transfer the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

has submitted an application with the Public Utility Commission of Texas (Commission) to purchase water facilities and to cancel water CCN No. 12830 of:

Dal High Water System
P.O. Box 744
Athens, TX 75751

The sale is scheduled to take place as approved by the Commission (V.T.C.A., Water Code § 13.301). The transaction and the transfer of the CCN includes the following subdivision: Dal-High.

The area subject to this transaction is located approximately 2 miles northwest of downtown Athens, Texas, and is generally bounded on the north by Caney Creek; on the east by One Mile Creek; on the south by City of Athens; and on the west by US 175.

The total proposed area for the water CCN being requested includes approximately 32 acres and 46 current customers.

This transaction will have the following effect on the current customers' rates and services: No effect to customers at this time.

Affected persons may file written protests and/or request a public hearing within 30 days of this notice.

To request a hearing, you must:

- (1) state your name, mailing address and daytime telephone number;
- (2) state the applicant's name, application number or another recognizable reference to this application;
- (3) the statement "I/we request a public hearing";
- (4) write a brief description of how you, the persons you represent, or the public interest would be adversely affected by the proposed transaction and transfer of the CCN; and

(5) state your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Only those persons who submit a written request to be notified of a hearing will receive notice if a hearing is scheduled.

Persons who wish to intervene or comment should file a request in writing within thirty (30) days from the date of this publication or notice with:

Filing Clerk
Public Utility Commission of Texas
1701 North Congress Avenue
P.O. Box 13326
Austin, Texas 78711-3326

A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, Commission will not transfer the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

- (2) state the applicant's name, application number or another recognizable reference to this application;
- (3) the statement "I/we request a public hearing";
- (4) write a brief description of how you, the persons you represent, or the public interest would be adversely affected by the proposed transaction and transfer of the CCN; and

(5) state your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Only those persons who submit a written request to be notified of a hearing will receive notice if a hearing is scheduled.

Persons who wish to intervene or comment should file a request in writing within thirty (30) days from the date of this publication or notice with:

Filing Clerk
Public Utility Commission of Texas
1701 North Congress Avenue
P.O. Box 13326
Austin, Texas 78711-3326

A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, Commission will not transfer the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

L&T WATER WORKS, LLC, NOTICE OF INTENT TO PURCHASE WATER FACILITIES AND TO CANCEL CERTIFICATE OF CONVENIENCE AND NECESSITY NO. 12830 OF THE DAL-HIGH WATER SYSTEM IN HENDERSON COUNTY, TEXAS

To: _____ LODEN, D _____ Date Notice Mailed: 10-4, 2016
(Name of C 6236 CR 3925
Address) ATHENS, TX 75752
(City State Zip)

L&T Water Works
1560 ACR 485
Palestine, TX 75803

has submitted an application with the Public Utility Commission of Texas (Commission) to purchase water facilities and to cancel water CCN No. 12830 of:

Dal High Water System
P.O. Box 744
Athens, TX 75751

The sale is scheduled to take place as approved by the Commission (V.T.C.A., Water Code § 13.301). The transaction and the transfer of the CCN includes the following subdivision: Dal-High.

The area subject to this transaction is located approximately 2 miles northwest of downtown Athens, Texas, and is generally bounded on the north by Caney Creek; on the east by One Mile Creek; on the south by City of Athens; and on the west by US 175.

The total proposed area for the water CCN being requested includes approximately 32 acres and 46 current customers.

This transaction will have the following effect on the current customers' rates and services: No effect to customers at this time.

Affected persons may file written protests and/or request a public hearing within 30 days of this notice.

To request a hearing, you must:

- (1) state your name, mailing address and daytime telephone number;
- (2) state the applicant's name, application number or another recognizable reference to this application;
- (3) the statement "I/we request a public hearing";
- (4) write a brief description of how you, the persons you represent, or the public interest would be adversely affected by the proposed transaction and transfer of the CCN; and

(5) state your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Only those persons who submit a written request to be notified of a hearing will receive notice if a hearing is scheduled.

Persons who wish to intervene or comment should file a request in writing within thirty (30) days from the date of this publication or notice with:

Filing Clerk
Public Utility Commission of Texas
1701 North Congress Avenue
P.O. Box 13326
Austin, Texas 78711-3326

A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, Commission will not transfer the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.
