**ORDER NO. 2  
FINDING APPLICATION INSUFFICIENT AND INCOMPLETE,  
PROVIDING OPPORTUNITY TO CURE,  
SUSPENDING PROCEDURAL SCHEDULE AND ESTABLISHING A DEADLINE**

This Order addresses Commission Staff's September 7, 2016 recommendation that the application of Citrix Communications, LLC and LogMeIn, Inc. for amendments to service provider certificate of operating authority (SPCOA) No. 60929<sup>1</sup> should be deemed insufficient and incomplete, for the reasons specified in the attached memorandum of Gordon Van Sickle of the Commission's Competitive Markets Division.

Consistent with Commission Staff's recommendation, this application is deemed insufficient and incomplete. However, Citrix and LogMeIn are provided an opportunity to complete the application and cure the deficiencies.

On September 12, 2016, Citrix amended and supplemented the application. Therefore, on before **September 22, 2016**, Commission Staff shall file a supplemental recommendation on the sufficiency of this application. Additionally, the procedural schedule adopted in Order No. 1 is suspended and Commission Staff shall propose deadlines for continued processing of this application.

The 60<sup>th</sup> day after this application was filed is October 28, 2016,<sup>2</sup> therefore it appears that this application could still be processed without an extension of the 60-day timeline established in

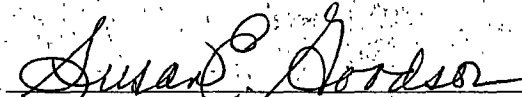

<sup>1</sup> *Application of Citrix Communications, LLC for a Service Provider Certificate of Operating Authority*, Docket No. 41880, Notice of Approval (Nov. 8, 2013).

<sup>2</sup> Pursuant to 16 Tex. Admin. Code § 26.111(d)(5), the Commission shall issue an order approving or denying the application within 60 days of the filing of the application. The 60<sup>th</sup> day is October 30, 2016, a Sunday; therefore, the last day the Commission is open for business is October 28, 2016.

PURA<sup>3</sup> § 54.155. For these reasons, the 60-day timeline for processing this application is not extended in this Order.

SIGNED AT AUSTIN, TEXAS the 14<sup>th</sup> day of September 2016.
