PUBLIC UTILITY COMMISSION
FILING CLERK

**ORDER NO. 5
DEEMING NOTICE AND APPLICATION SUFFICIENT**

This Order addresses Commission Staff's January 13, 2017 recommendations in this application, as specified in the pleading and the attached memorandum of Emily Sears and Ricky Herrera in the Commission's Water Utility Regulation Division. Commission Staff stated that after reviewing the notice and affidavit filed by PK-RE Development Company, Inc. d/b/a Greenshores Utility Services and d/b/a Oak Shores Water System on December 16, 2016, the application and notice should be deemed administratively complete and sufficient for filing. Commission Staff also noted that sufficient protests have been filed in this docket and requested referral to the State Office of Administrative Hearings for an evidentiary hearing.

Consistent with Commission Staff's recommendation, PK-RE's application and notice are deemed sufficient. Commission Staff's request for a hearing will be handled in another order.

SIGNED AT AUSTIN, TEXAS the 18th day of January 2017.
