**SOAH ORDER NO. 5**

**GRANTING MOTION FOR ISSUANCE OF PROTECTIVE ORDER**

On June 13, 2017, Undine Development LLC filed a motion to issue a Protective Order in this case. The motion states that the other parties have not objected to such issuance, except for two parties that have not responded. Because the motion states that the proposed Protective Order is the standard Protective Order used in Public Utility Commission of Texas (Commission) cases, and to avoid delaying discovery of information that would need to be submitted under such an order, the motion is **GRANTED** and the proposed Protective Order that is Attachment 1 to the motion is **ADOPTED**. The parties are advised not to classify information as Protected Materials or Highly Sensitive Materials that does not merit that classification. If necessary, the Administrative Law Judge will review such classifications as provided in the Protective Order.
