SOAH ORDER NO. 8  
GRANTING REQUEST TO SET DEADLINE FOR NEW STATUS REPORT  
AND ADDRESSING REVISED EFFECTIVE DATE

On August 1, 2017, Undine Development LLC filed an agreed status report, stating the parties had identified the basic principles that will form the basis for a settlement, are reviewing a draft settlement agreement, and will diligently pursue efforts to resolve by agreement all issues in this case. To allow sufficient time for the parties to discuss and finalize the settlement agreement and obtain necessary approvals, the parties requested they be allowed to file another status report by August 25, 2017. PK-RE Development Company, Inc., d/b/a Greenshores Utility Services and d/b/a Oak Shores Water System agreed to extend the effective date of the rates for an additional 30 days, to June 23, 2017. The parties agree with that extension.

The request has merit and is **GRANTED**. A status report shall be filed by **August 25, 2017**. Based on the revised effective date, the previously-ordered 265-day suspension period results in a jurisdictional deadline of March 15, 2018.

SIGNED August 3, 2017.
