SOAH ORDER NO. 10
GRANTING REQUEST TO SET DEADLINE FOR NEW STATUS REPORT
AND ADDRESSING REVISED EFFECTIVE DATE

On September 6, 2017, Undine Development LLC filed a status report, stating that the parties' efforts to finalize a settlement agreement were delayed by the effects of Hurricane Harvey. To allow sufficient time for the parties to continue to discuss and finalize the settlement agreement and obtain necessary approvals, the parties requested they be allowed to file another status report by September 15, 2017. PK-RE Development Company, Inc., d/b/a Greenshores Utility Services and d/b/a Oak Shores Water System agreed to extend the effective date of the rates for an additional 10 days, to July 14, 2017. The parties agree with that extension.

The request has merit and is **GRANTED**. A status report shall be filed by **September 15, 2017**. Based on the revised effective date, the previously-ordered 265-day suspension period results in a jurisdictional deadline of April 4, 2018.

SIGNED September 6, 2017.
