SOAH ORDER NO. 13
GRANTING MOTION FOR EXTENSION

On October 16, 2017, Undine Development LLC (Undine) filed a Motion to Request an Extension of Time for Filing Settlement Documents (Motion). The Motion states that several parties do not oppose it but other parties' positions could not be determined in the time available. According to the Motion, the parties have agreed on all outstanding issues in this case and the sale/transfer/merger (STM) case¹ and are finalizing details and collecting signatures for the agreement. The Motion states that the parties intend to file a motion to abate this proceeding simultaneous with filing the agreement in the STM case on or before October 23, 2017, and will file correspondence from the applicant in this case regarding abating the effective date of its proposed rates. The parties agree to inform the Administrative Law Judge of any changes to the settlement agreement or the STM closing process that would affect the status of this case.

Under the circumstances, it seems unlikely there is opposition to the Motion. The Motion is **GRANTED**. The documents described shall be filed in this docket by **October 23, 2017**.

SIGNED October 17, 2017.
