FILING CLERK

**ORDER NO. 5
GRANTING MOTIONS TO INTERVENE**

This Order addresses Quadvest, L.P.'s and Undine Texas, LLC's January 6, 2017 motions to intervene in this proceeding. Quadvest claims to be an "affected person" for purposes of Tex. Water Code § 13.002 because the utility operates one or more sewer systems in the immediate vicinity of the area to be certificated, including one system (water and sewer) located within the area to be certified. Undine also claims to be an affected person because the utility anticipates operating and owning one or more water and sewer systems in the vicinity of the area to be certified. Quadvest and Undine appear to have a justiciable interest in this proceeding. No objections to the motions to intervene were filed.

For the foregoing reasons, Quadvest's and Undine's motions to intervene are granted.

SIGNED AT AUSTIN, TEXAS the 12th day of January 2017.
