I. INTRODUCTION AND QUALIFICATIONS

Q. Please state your name.

A. My name is Ronald Glenn Windsor.

Q. Please state your occupation and place of employment.

A. I am the Finance Director for the City of Tomball ("City" or "Tomball"). I have been in this position since January 11, 2010. Prior to that, I was the Finance Director for the City of Deer Park, Texas for 24 years.

Q. Please outline your educational and professional background.

A. I attended Lamar University, graduating in 1973 with a Bachelor in Business Administration in Marketing. I returned to Lamar University in 1974 and received my Bachelor in Business Administration in Accounting in 1975. I currently maintain one professional license, a Certified Public Accountant, Texas License Number 83530, and two professional certifications, a Certified Government Finance Officer, and a Certified Fraud Examiner. I also obtained certification as a registered Texas Assessor-Collector, however this certificate is currently inactive because our City contracts its property tax collection to Harris County. I have professional memberships to numerous associations including the American Institute of Certified Public Accountants, Government Finance Officers Association of Texas, Gulf Coast Government Finance Officers Association, and the Association of Certified Fraud Examiners. I served as the Finance Director for the City of Deer Park from 1982 to 2006 and began working for the City of Tomball in 2010 as the Finance Director, which is my current position. Exhibit RGW-1 is a copy of my professional resume.
