SUBJECT: Response to Comments on Docket No. 46336

DATE: October 25, 2016

PROJECT: Application of the City of Tomball to Obtain Water and Sewer CCNs in Harris and Montgomery Counties

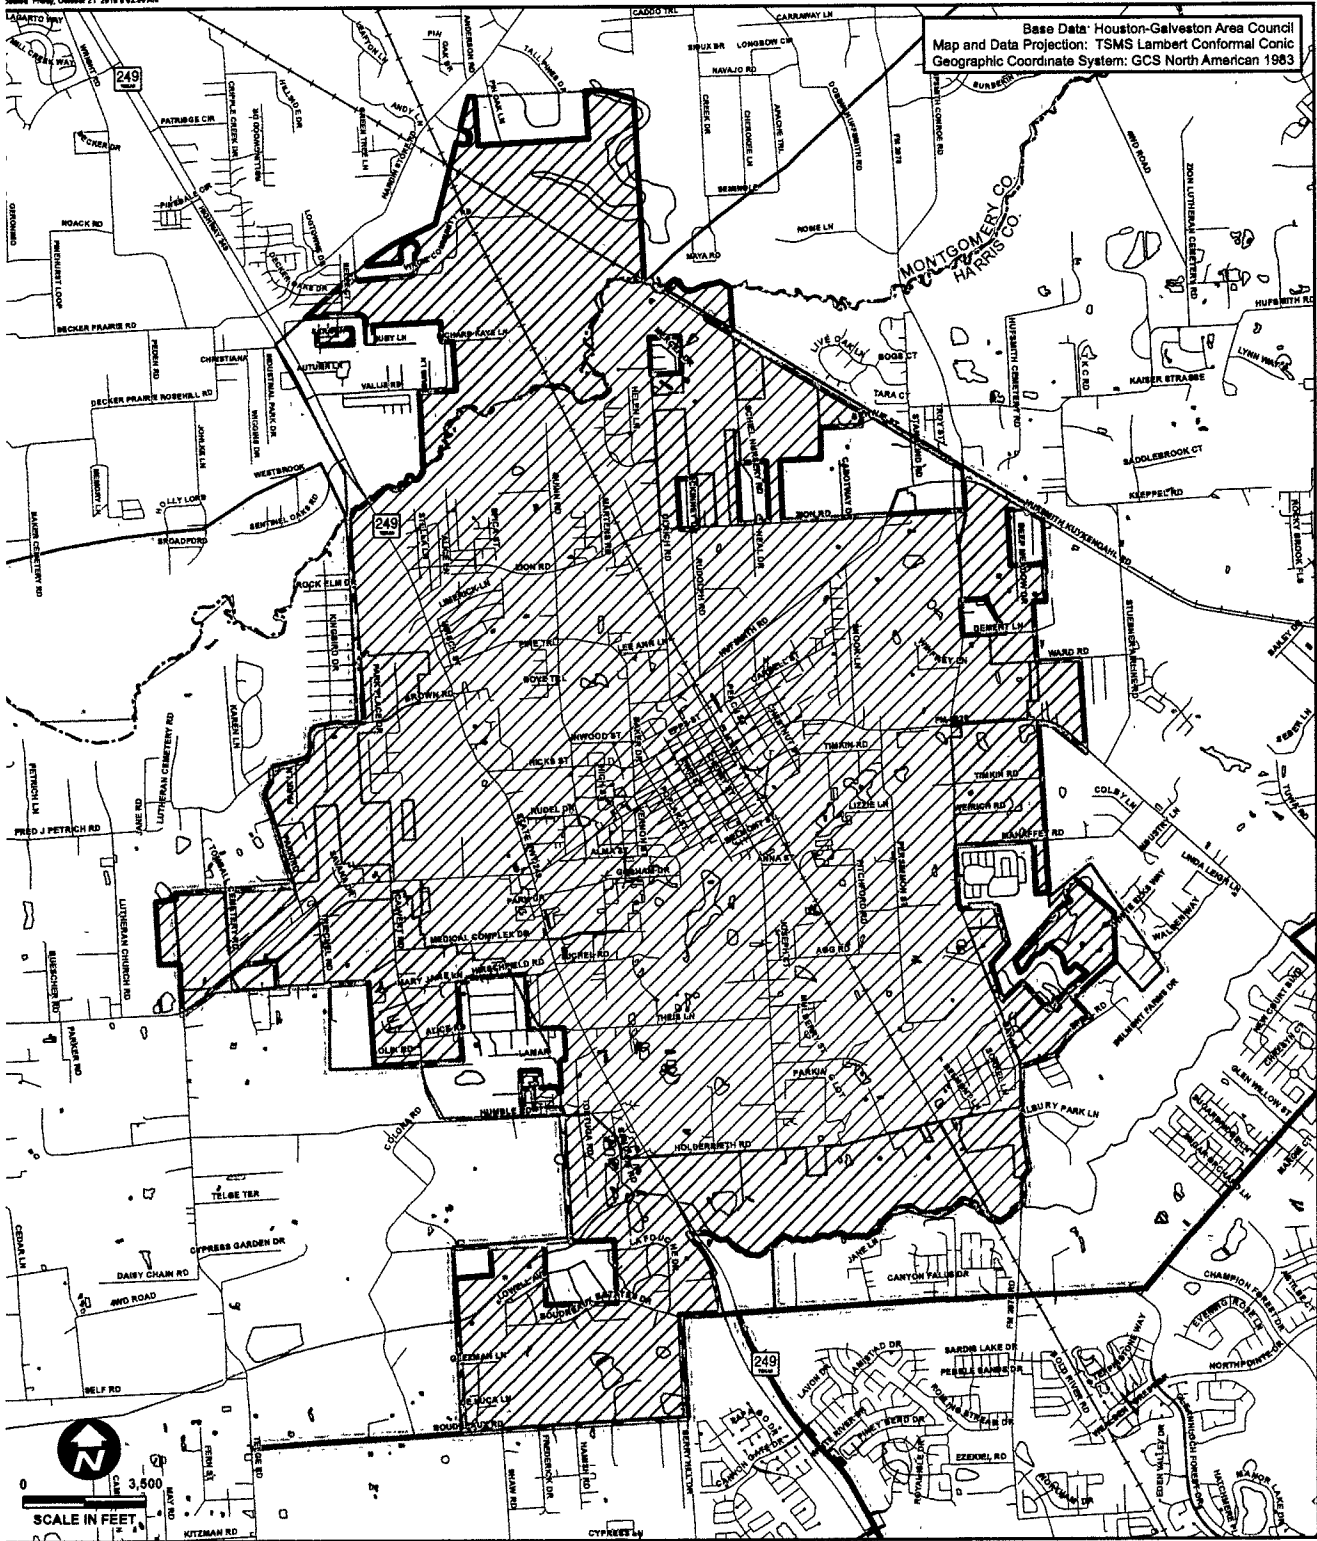

RECEIVED
2016 NOV -4 AM 11:14
PUBLIC UTILITY COMMISSION
FILING CLERK

On October 5, 2016, the Public Utility Commission (PUC) of Texas deemed the City of Tomball's application to obtain new water and sewer Certificates of Convenience and Necessity (CCNs) in Harris and Montgomery Counties insufficient for filing based on mapping deficiencies.

Freese and Nichols, Inc. (FNI) has assisted the City of Tomball in providing a response to comments from PUC dated October 5, 2016. The response consists of the following items:

1. Attached mapping reflects revised CCN boundaries based on PUC official CCN digital data and Texas Commission on Environmental Quality (TCEQ) official water district digital data with city limit data removed.
2. The attached USB drive contains a single, continuous polygon with the coordinate projection (PRJ) file included.

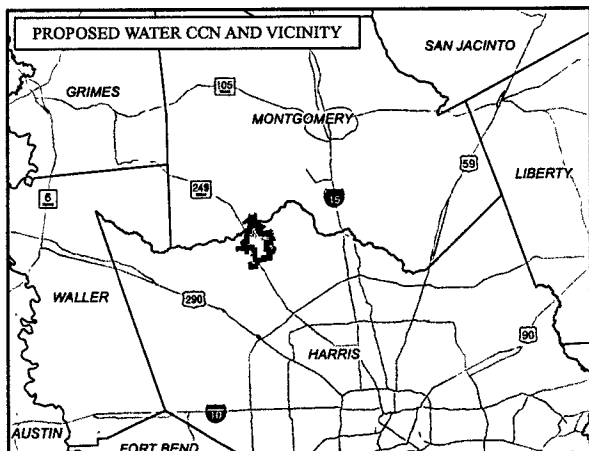

We look forward to your review and please contact Richard Weatherly (713) 600-6824 or Kristen Burns (832) 456-4735 if you have any questions or comments.
