**RE:** Tariff Control No. 46355 – *Application of Carroll Water Company, Inc. to Implement a Pass-Through Rate Change*

**NOTICE DISMISSING APPLICATION**

This Notice addresses Commission Staff's October 4, 2016 recommendation that this application should be dismissed. On September 13, 2016, Carroll Water Company, Inc. requested approval to implement a pass through rate change that would affect customers in the Red Oak Community subdivision. Commission Staff recommended dismissal of this application because the Red Oak Community subdivision is located within the corporate limits of the City of Red Oak, which has not ceded to the Commission its original jurisdiction over water rates. Therefore, the Commission does not have original jurisdiction over this proceeding, and it should be dismissed.

Consistent with Commission Staff's recommendation, this application is dismissed.

SIGNED AT AUSTIN, TEXAS on the 11<sup>th</sup> day of October 2016.
