Docket No. 46423

Notice for Publication

NOTICE OF APPLICATION TO AMEND A CERTIFICATE OF CONVENIENCE AND NECESSITY (CCN) TO PROVIDE WATER UTILITY SERVICE IN MONTGOMERY COUNTY, TEXAS

MSEC Enterprise, Inc., has filed an application with the Public Utility Commission of Texas to amend its Certificate of Convenience and Necessity for water CCN No. 12887 for the provision of water utility service in Montgomery County.

The proposed utility service area is located approximately 12 mile(s) west of downtown Conroe, Texas, and is generally bounded on the north by a line 2500 feet south of Rabon Chapel Road; on the east by Mound Creek; on the south by a line 1 mile south of Rabon Chapel Road; and on the west by FM 2854.

The proposed water service area requested includes approximately 216 total acres and zero (0) current customers.

A copy of the proposed service area map is available at 7625 Highway 6, Navasota, Texas 77608.

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Persons who wish to intervene or comment should write the:

**Public Utility Commission of Texas Central Records
1701 N. Congress, P.O. Box 13326
Austin, TX 78711-3326**

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing.

Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, the Commission will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

If you are a landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the proposed area, you may request to be excluded from the proposed area (or "opt out") by providing written notice to the Commission within (30) days from the date that notice was provided by the applicant. All requests to opt out of the requested service area must include a large scale map and a metes and bounds description of the tract of land.

Persons who meet the requirements to opt out, and wish to request this option should file the required documents with the:

**Public Utility Commission of Texas Central Records
1701 N. Congress, P.O. Box 13326
Austin, TX 78711-3326**

A copy of the request to opt out of the proposed area must also be sent to the applicant. Staff may request additional information regarding your request.
