**SOAH ORDER NO. 3
RESPONSES TO INTERVENTION OBJECTIONS**

On December 28, 2016, Brazos Electric Power Cooperative, Inc. (Brazos Electric) filed its Eighth Objections to Intervention regarding the requests to intervene submitted by Nepolean Arumugam. Brazos Electric states that this person does not own property that will be crossed by a proposed route or own a habitable structure within 300 feet of a proposed route. Therefore, Brazos Electric argues that this person did not demonstrate a justiciable interest and should not be a party to this case. **On or before January 12, 2017**, this person may respond to Brazos Electric's objection and state why he or she has justiciable interest in this case. All requests to intervene in this case remain pending until the Administrative Law Judge issues a ruling.¹

SIGNED January 3, 2017.
