69

Each of these persons filing a motion to intervene presented a justiciable interest in the outcome of this proceeding. No objections were raised against the above-referenced motions. Accordingly, these motions to intervene are granted.

II. Objections to Intervention

On November 7, 2016, Brazos Electric Power Cooperative, Inc. filed objections to the intervention of Linda Bantz, Jain Shiraz, John Rahne, Dustin Ross, Greg Howard, Mistie Luchtel-Ross, and Melissa Whitecotton. Brazos Electric stated that none of these persons own property over which a proposed route would pass, or own a habitable structure within 300 feet of a proposed route segment and therefore, such individuals have not demonstrated a justiciable interest in this proceeding. In addition, Brazos Electric stated that these persons were not identified as directly-affected landowners by the county tax-roll information and were not provided direct mail notice.

On or before **December 2, 2016**, Linda Bantz, Jain Shiraz, John Rahne, Dustin Ross, Greg Howard, Mistie Luchtel-Ross, and Melissa Whitecotton may respond to Brazos Electric's objection and provide the necessary clarification to determine their justiciable interest in this proceeding. These requests to intervene remain pending at this time.

III. Service List

For service of pleadings, a copy of the service list in this proceeding is attached to this order. In addition, the service list in this proceeding is available from the Public Utility Commission of Texas by calling (512) 936-7169 and requesting a copy of the service list in Docket No. 46429. Under 16 Texas Administrative Code § 22.74 (TAC) any document or pleading regarding this proceeding shall be filed with the Commission's Filing Clerk and served on all parties in the form required by 16 TAC § 22.71.

Signed at Austin, Texas the 15th day of November 2016.
