SOAH ORDER NO. 9
GRANTING UNOPPOSED MOTION TO EXTEND ABATEMENT

On September 28, 2017, J&S Water Company, LLC (J&S) filed a Status Report and Unopposed Motion to Extend Abatement, stating that the motion is agreed to by the Public Utility Commission of Texas staff (Staff). The motion states that J&S and Staff have reached a settlement position but have not yet finalized the related documentation or obtained internal management approvals. The motion requests that the abatement be extended until October 5, 2017, by which date the parties intend to jointly file the appropriate settlement documentation. The motion does not specifically mention the intervenors but describes the motion as unopposed.

The motion is **GRANTED**. The parties **SHALL** file appropriate settlement documents or a status report **no later than October 5, 2017**. J&S's previous agreement to extend the effective date and jurisdictional deadline in this case day-for-day during the period of abatement continues to apply.

SIGNED October 2, 2017.
