PUBLIC UTILITY COMMISSION OF TEXAS

Docket No. 46439

REQUEST NUMBER: STAFF 1-6

COMPANY NAME: Quadvest, L.P.

INFORMATION REQUESTED:

Staff 1-6 Was the Complainant's meter tested directly? If so, provide the QC data for his meter.

REQUESTED BY: Public Utility Commission of Texas

RESPONSE:

Yes, see Master Meter test results referenced in RFI 1-4. In addition, Quadvest has requested further testing of the meter at issue. Quadvest will supplement this response once the test results are finalized.

SUPPLEMENTAL RESPONSE:

Quadvest requested additional testing from Southern Flowmeter for this meter. The testing showed that the meter had flow results of 101.6% accuracy. AWWA standards for accuracy are between 98.5% to 101.5%. Accordingly, Quadvest replaced the meter and issued a credit of \$11.12 to Mr. Jones to reflect 100% accuracy from the date of installation of this meter.

SUPPORTING WITNESS:

Jeff Eastman

The foregoing response to the above information request is accurate and complete, and contains no material misrepresentations or omissions based upon present facts known to the undersigned. The undersigned agrees to immediately inform the Requestor if any matters are discovered which would materially affect the accuracy or completeness of the information provided in response to the above information request.

Signature of Company Representative
