Re: Docket No. 46441 - Application of Terra Southwest, Inc. (Utility) To Amend a Certificate of Convenience and Necessity in Denton County

In regards to Order No. 5 amending the procedural schedule, Terra Southwest, Inc. request the Administrative Law Judge abate the present case for 60 days to enable the utility to obtain the information requested by Staff. The utility has been trying to obtain the necessary information from the Texas Commission on Environmental Quality (TCEQ) regarding an unresolved violation and believed that this would be have been filed by July 31, 2017. However, the TCEQ has not issued the required letter regarding the resolution of any outstanding violation.

Should you have any further questions concerning this application, please do not hesitate to contact me at (512) 264-9124.

Sincerely,

Bret W. Fenner, P.E.  
B & D Environmental, Inc.
