Re: Docket No. 46441 - Application of Terra Southwest, Inc. (Utility) To Amend a Certificate of Convenience and Necessity in Denton County

In regards to Order No. 6 abating this Docket, the utility has been able to correct or informally resolve any outstanding issue the Texas Commission on Environmental Quality (TCEQ) had with public water system Hilltown Addition (PWS #0610112) associated with this Application. Attached is copy of the TCEQ drinking water violation data base for this water system indicating that all outstanding issues have been corrected or resolved informally. If this addresses the staff's concerns, the Applicant request that the abatement be ended and this Application be remained to staff for final resolution.

Should you have any further questions concerning this application, please do not hesitate to contact me at (512) 264-9124.

Sincerely,

Bret W. Fenner, P.E.
