Docket no. 46449

Dear Sir:

Electric account number 965-595-423-33

I am writing this letter in reference to my electric bill
and petitioning for it not to increase. I am disabled and not able
to work. I am on disability and don't get a big check and it
don't cover my bills, my electric, gas, water, tax, insurance and extra
medicine and food, household needs comes out of this income. I worry
monthly about being disconnected and left with no service as I have
been recently. I am asking you to please consider this a petition and I
can please not be left in the dark with bad eye sight.

Thank you
