Altoga Water Supply Corporation	4365 FM 75, P.O. Box 547,	Princeton, TX	75407
(Seller's or Transferor's Name)	(Address)	(City) (State)	(Zip Code)

has filed an application with the Public Utility Commission of Texas (Commission) to sell water facilities and to transfer CCN No. 12580 in Collin County, Texas to:

North Collin Special Utility District	P.O. Box 343, 2333 Sam Rayburn Hwy.,	Melissa, TX	75454-2930
(Purchaser's or Transferee's Name)	(Address)	(City) (State)	(Zip Code)

The sale is scheduled to take place as approved by the Commission.

The area subject to this transaction is located approximately 4.3 miles east/northeast of downtown of McKinney, Texas and is generally bounded on the north by CR 471; on the east by Sister Grove Creek; on the south by County Rd 408 and County Rd 461; and on the west by FM 2933.

The total area being requested includes approximately 4,160 acres and serves 338 current customers. This transaction will have the following effect on the current customers' rates and services: North Collin SUD's rates are lower than Altoga's current rates. Former Altoga WSC customers' rates will not increase and may be decreased.

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a STM; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Persons who wish to intervene or comment should file a request in writing with the:

Filing Clerk  
Public Utility Commission of Texas  
1701 North Congress Avenue  
P.O. Box 13326

requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, Commission will not transfer the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.
