WATER COMPANY, INC. FOR §  
AUTHORITY TO CHANGE RATES §

PUBLIC UTILITY COMMISSION 2:07  
OF TEXAS FILING CLERK

**ORDER NO. 2  
FINDING APPLICATION DEFICIENT AND INCOMPLETE AND  
ESTABLISHING DEADLINES**

This Order addresses the sufficiency of Carroll Water Company, Inc.'s application. Commission Staff recommended that the application is deficient as specified in the memorandum of Fred Bednarski and Greg Charles of the Commission's Water Utility Regulation Division. Under 16 Texas Administrative Code § 24.8(d), an application is not considered filed until the Commission makes a determination of administrative completeness; thus, at this time, the application is not considered filed with the Commission.

The application is deemed deficient and incomplete. On or before January 20, 2017, applicant shall amend the application to cure the deficiencies noted by Commission Staff. On or before February 3, 2017, Commission Staff shall file a supplemental recommendation regarding the administrative completeness of the application and notice along with a proposed procedural schedule, if appropriate.

SIGNED AT AUSTIN, TEXAS on the 9th day of December 2016.
