COMMISSION STAFF'S REQUEST FOR AN EXTENSION OF TIME

COMES NOW the Staff ("Staff") of the Public Utility Commission of Texas ("Commission"), representing the public interest, and files this Request for an Extension of Time.

I. BACKGROUND

On November 9, 2016, River Side Waste Water Treatment Plant ("River Side") filed an application to change rates.¹ On February 1, 2017, March 31, 2017, May 1, 2017, and May 22, 2017 River Side filed supplements to its application.

On June 23, 2017, Order No. 6 was entered, requiring Staff to file comments on the administrative completeness of the application by July 7, 2017. This pleading is timely filed.

II. REQUEST FOR AN EXTENSION

Staff and River Side continue to confer regarding the provision of notice, and River Side has indicated that it intends to file a revised proposed form of notice. In order to permit additional time for River Side to file a revised proposed form of notice, Staff respectfully requests an extension of time to provide a recommendation regarding the administrative completeness of the application until July 28, 2017.

Staff has conferred with River Side, which is not opposed to Staff's request.

IV. CONCLUSION

Staff respectfully requests the entry of an order consistent with the above discussion.

¹ Application (Nov. 9, 2016).

Date: July 7, 2017
