Customer at:

A prehearing conference will be convened on February 13, 2018 at 1:30pm at the State Office of Administrative Hearings, 300 West 15th Street, 4th Floor, Austin, Texas. Matters that may be discussed include procedures, pending motions, possible settlement of issues, the procedural schedule (including the hearing date), and other matters that may aid in efficient and fair processing of this case.

Persons who attend the prehearing conference must first check in with building security personnel in the building's lobby to be issued visitor badges, and therefore should allow sufficient time for the check-in procedure.

Any person who wants to intervene in this case (i.e., participate in this case as a party) shall move to intervene either (1) in a written motion to intervene filed at the Commission no later than 3:00 p.m., the day before the prehearing conference; or (2) orally at the prehearing conference.

Any filed motion shall refer to SOAH Docket No. 473-18-1394.WS and PUC Docket No. 46556, and include enough information for the party to be contacted, and otherwise comply with the Commission's procedural rules. Previous submission of a protest does not meet the requirement that a person who wants to participate as a party must move to intervene as described above.

Thank you,

Riverside Waste Water Treatment Plant
