**COMMISSION STAFF'S STATUS REPORT**

**COMES NOW** the Staff (Staff) of the Public Utility Commission of Texas (Commission), representing the public interest, and files this Status Report. In support thereof, Staff shows the following:

**I. BACKGROUND**

On December 9, 2016, the City of Kyle filed with the Commission an application to amend their water Certificate of Convenience and Necessity (CCN) No. 11024 in Hays County and to decertify a portion of County Line Water Supply Corporation's (County Line WSC) CCN No. 10292 and to decertify a portion of Monarch Utilities I LP's CCN No. 12983. The proposed area includes approximately 9,689 acres. Order No. 10, issued February 25, 2018, extended the deadlines for Staff to file a final recommendation or status report on the application to March 14, 2018. This pleading is therefore timely filed.

**II. STATUS REPORT**

Final documents for consent were sent by email on March 12, 2018, and the final recommendation on the application is in the process of being prepared. Staff requests that the deadline for filing consent forms be set as March 26, 2018, the deadline for Staff's final recommendation be set as April 2, 2018, and the deadline for parties to file joint proposed findings of fact and conclusions of law be set as April 9, 2018.

**III. CONCLUSION**

Staff respectfully requests the entry of an order consistent with the above request.
