Houston, August 24 2017

Dear Sir to whom it may concern,

My name is Thanh Duong, my family lives on 14026 Villagrove Dr. Houston TX, 77049 since August 1 2010. Under the water services Suburban Utility Company, most all of the people that live on this area must have an Arabic Septic Tank for the sewer system. We just pay for the water only, but since Quadvest Water and Sewer Utility took over the Suburban Utility Company the rate raised more than 100% in cost of water services. In my opinion, I think that the cost right now is too expensive. The water is the same as before, nothing improved, yet the price went up. In this case, I would like to protest against the raise in price for water.

*I REQUEST A PUBLIC HEARING.*

Thank you very much for your consideration,

Sincerely,
