RE: **Project 46689** – ADAD permit application

Dear Ms. Fraga:

The Public Utility Commission Competitive Markets Division has received your ADAD renewal. However, the renewal was incomplete and cannot be processed for the following reasons:

- The ADAD numbers and county locations were not uploaded or submitted on 2 identical CDs. This information is required each year. If there are more than 5 of these numbers they must be submitted in the following format on 2 identical CDs or uploaded; otherwise 5 or less can be entered in the 'comments section' of each copy of the form. If the numbers are not specific and are Internet based (VOIP) state so in the 'comments' section of the form as stated in the instructions on page 4 (also online at [https://www.puc.texas.gov/portal/Instructions/ADAD\\_Renewal\\_Inst.pdf](https://www.puc.texas.gov/portal/Instructions/ADAD_Renewal_Inst.pdf)).

**Mail to:** Public Utility Commission of Texas  
ATTN: Central Records  
1701 N Congress Ave

Enclosed is the \$15 check and 3 copies of the renewal form. Upon re-submission of the \$15 fee and 3 **copies** of the renewal form and the required ADAD numbers, as required, staff will process your renewal.

Sincerely,
