Re: Docket 46719 – Application of the City of Haslet to amend a water certificate of convenience and necessity and decertify a portion of the City of Fort Worth’s service area in Tarrant County.

In response to Order No. 10 of the Public Utility Commission Docket No. 46719 the City of Haslet wishes to formally withdraw the application to amend a water certificate of convenience and necessity **without prejudice** pursuant to 16 Texas Administrative Code § 22.181 (g).

The City of Haslet intends to submit to TCEQ a water masterplan confirming that the existing public water system will have capacity to serve the proposed development and that no separate public water system is required. Once TCEQ approval has been obtained the City of Haslet will reapply for the amendment of the water certificate of convenience and necessity.

Signed,

Travis N. Attanasio, P.E., CFM
City Engineer
City of Haslet, TX
