CITY OF FORTH WORTH

NOTICE OF APPLICATION TO AMEND A CERTIFICATE OF CONVENIENCE AND NECESSITY (CCN) TO PROVIDE WATER UTIL- ITY SERVICE IN TARRANT COUN- TY, TEXAS

The City of Haslet has filed an
application with the Public Utility
Commission of Texas to amend its
Certificate of Convenience and
Necessity for water CCN No. 12856
and to decertify a portion of City
of Forth Worth for the provision
of Water and Sewer utility service
in Tarrant County.

The proposed utility service area is
located approximately 1 mile west
of downtown Haslet, Texas, and is
generally bounded on the north by
Avondale Haslet Road; on the east
by a line 1/2 mile west of Burlington
Northern Sante Fe Railroad; on the
south by a line 1 mile south of
Avondale Haslet Road; and on the
west by a line 1 mile west of
Burlington Northern Sante Fe
Railroad.

The total proposed area for the CCNs
being requested includes approxi-
mately 168 acres and Q current
customers.

A copy of the proposed map is
available at: 101 Main Street,
Haslet, TX 76052 (817) 439-5931.

A request for a public hearing must
be in writing. You must state (1)
your name, mailing address, and
daytime telephone number; (2) the
applicant's name, application
number or another recognizable
reference to this application; (3)
the statement, "I/we request a
public hearing"; (4) a brief de-
scription of how you or the persons
you represent, would be adversely
affected by the granting of the
application for a CCN; and (5) your
proposed adjustment to the appli-
cation or CCN which would satisfy
your concerns and cause you to
withdraw your request for a
hearing.

Persons who wish to intervene or
comment should write the:

Public Utility Commission of Texas
Central Records
1701 N. Congress, P. O. Box 13326
Austin, TX 78711-3326

within thirty (30) days from the date
of this publication or notice. A public
hearing will be held only if a legally
sufficient hearing request is re-
ceived or if the Commission on its
own motion requests a hearing.
Only those individuals who submit
a written hearing request or a
written request to be notified if a
hearing is set will receive notice if
a hearing is scheduled.

If a public hearing is requested, the
Commission will not issue the CCN
and will forward the application to
the State Office of Administrative
Hearings (SOAR) for a hearing. If
no settlement is reached and an
evidentiary hearing is held, SOAH
will submit a recommendation to
the Commission for final decision.
If an evidentiary hearing is held, it
will be a legal proceeding similar
to a civil trial in state district court.

If you are a landowner with a tract
of land at least 25 acres or more,
that is partially or wholly located
within the proposed area, you may
request to be excluded from the
proposed area (or "opt out") by
providing written notice to the
Commission within (30) days from
the date that notice was provided
by the applicant. All requests to
opt out of the requested service
area must include a large scale map
and a metes and bounds description
of the tract of land.

Persons who meet the requirements
to opt out, and wish to request
this option should file the required
documents with the:

Public Utility Commission of Texas

Online Sales Building located at

Worth, Texas 76119; (B) financing
(1) the acquisition and construction
of a Goodwill Store located at 4700
S. Collins, Arlington, Texas; and (2)
the remodeling of the Goodwill
Store and Career Center located at
2030 West University, Denton,
Texas, 76201; (collectively, the
"Project"); and (C) paying certain
expenses in connection with the
issuance of the Loans. The Project
is owned by the Borrower. The
Loans are not payable out of taxes
and are secured by and payable
solely from funds provided by the
Borrower.

All interested persons are invited to
attend the hearing to express their
views, both orally and in writing,
with respect to the Loans and the
Project. Any interested persons
unable to attend the hearing may

IN TARRANT COUNTY, TEXAS

To: _____
(Neighboring System, Landowner, or City)

(Address)

(City State Zip)

Date Notice Mailed: **March 1, 2017**

The City of Haslet has filed an application with the Public Utility Commission of Texas to amend its Certificate of Convenience and Necessity for water CCN No. 12856 and to decertify a portion of City of Forth Worth for the provision of Water and Sewer utility service in Tarrant County.

The proposed utility service area is located approximately 1 mile west of downtown Haslet, Texas, and is generally bounded on the north by Avondale Haslet Road; on the east by a line ½ mile west of Burlington Northern Sante Fe Railroad; on the south by a line 1 mile south of Avondale Haslet Road; and on the west by a line ¾ mile west of Burlington Northern Sante Fe Railroad.

See enclosed map of the proposed area.

The total proposed area for the CCNs being requested includes approximately 168 acres and 0 current customers.

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Persons who wish to intervene or comment should write the:

Public Utility Commission of Texas
Central Records
1701 N. Congress, P. O. Box 13326
Austin, TX 78711-3326

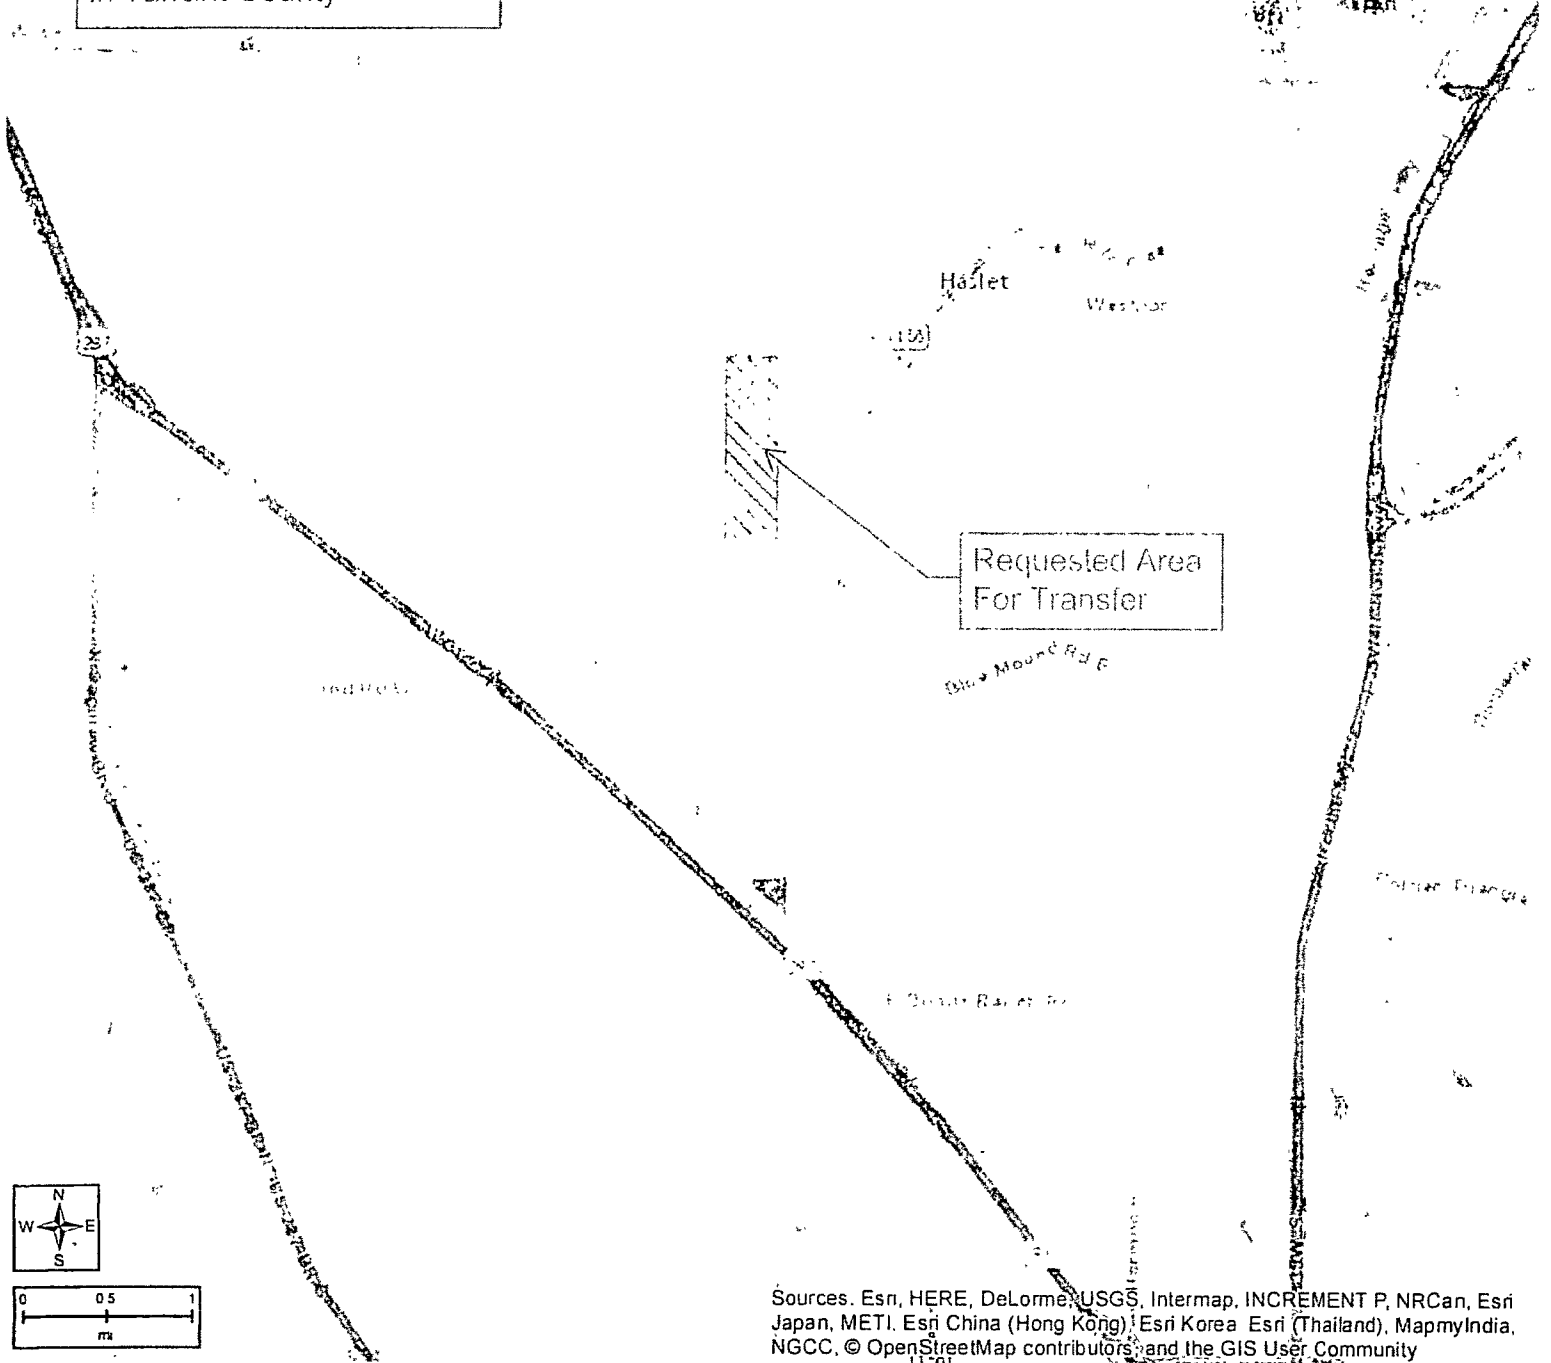

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

The proposed utility service area is located approximately 1 mile west of downtown Haslet, Texas, and is generally bounded on the north by Avondale Haslet Road; on the east by a line ½ mile west of Burlington Northern Sante Fe Railroad; on the south by a line 1 mile south of Avondale Haslet Road; and on the west by a line ¾ mile west of Burlington Northern Sante Fe Railroad.

See enclosed map of the proposed area.

The total proposed area for the CCNs being requested includes approximately 168 acres and 0 current customers.

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Persons who wish to intervene or comment should write the:

Public Utility Commission of Texas
Central Records
1701 N. Congress, P. O. Box 13326
Austin, TX 78711-3326

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.
