**ORDER NO. 4  
FINDING NOTICE REMAINS DEFICIENT,  
PROVIDING OPPORTUNITY TO CURE**

This Order addresses Commission Staff's recommendation regarding sufficiency of notice. On April 24, 2017, Commission Staff filed comments stating the notice remains deficient. Commission Staff listed the items, in the memorandum from Fred Bednarski, Water Utilities Division, that the applicant needs to provide to cure the deficiencies. Commission Staff proposed the applicant be given until May 24, 2017 to complete the notice requirements.

Consistent with Commission Staff's recommendation, notice is deemed deficient and administratively incomplete. No later than May 24, 2017, the applicant shall complete notice requirements and file the proper documentation as listed in Commission Staff's recommendation. On or before June 5, 2017, Commission Staff shall file a supplemental recommendation on sufficiency of notice and propose a procedural schedule for the remainder of the proceeding.

Signed at Austin, Texas the 27<sup>th</sup> day of April 2017.
