Re: Docket No. 46727 – Application of H-M-W SUD to Amend a Water CCN
in Montgomery County

To Whom it Concerns:

Please find herewith the following information related to the amendment to the H-M-W SUD Water CCN in Harris County:

1. Amended GIS data to correct for requested opt-outs from land owners:
 - Primewood Investments, LP – (service area M7) property which was not previously incorporated is no longer requested
 - Michael Steele – (Service area H3 and M17) property which was not previously incorporated is no longer requested
 - Gary L. Kruger and Marjorie Kruger Lynch – (Service area M14) this property was completely incorporated in the District before any requested revisions, thus no change was made
2. Amended GIS data to correct for overlapping CCN and City boundaries:
 - Aqua Texas Inc. - Aqua Texas Inc. signed a release to decertify the overlapping portions of the proposed CCN boundary, provided previously and attached to this letter)
 - Cypresswood Estates – (Service Area M15) The overlap was removed by adjusting the proposed boundary
 - Johnston Water Utility LLC – (Service areas M5 and M3&M4) The overlap was removed by adjusting the proposed boundary
 - Nerro Supply Investors, LLC – (Service area M3&M4) The overlap was removed by adjusting the proposed boundary
 - Pinehurst Decker Prairie WSC – (Service areas M3&M4, M6, M13 and M14) The overlap was removed by adjusting the proposed boundary
 - Quadvest LP – (Service areas M7 and M13) Quadvest LP signed a release to decertify the overlapping portions of the proposed CCN boundary (provided previously and attached to this letter)
 - South Central Water Company – (Service area M6) The overlap was removed by adjusting the proposed boundary
 - City of Stagecoach – (Service areas M6 and M13) City of Stagecoach signed a release to allow the District to operate within the City Limits (provided previously and attached to this letter)

- City of Tomball – (Service areas M14, H4, H5) City of Tomball signed a release to allow the District to operate within the City Limits (provided previously and attached to this letter)

3. Amended maps corresponding to the GIS data detailed above
