**ORDER NO. 2
FINDING APPLICATION INCOMPLETE AND DEFICIENT,
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE**

This Order addresses Commission Staff's recommendation that T&W Water Service Company's application is not administratively complete because it contains material deficiencies, as specifically described in Commission Staff's February 8, 2017 pleading. Consistent with Commission Staff's recommendation T&W's application is found administratively incomplete and deficient. Under 16 Texas Administrative Code § 24.8(d), applications are not considered filed until a determination of administrative completeness is made; thus, at this time the application is not considered filed with the Commission.

On or before **March 22, 2017**, T&W Water Service Company shall amend the application to cure the deficiencies noted by Commission Staff. Processing of the application cannot proceed until the requested items are received and reviewed.

On or before **April 20, 2017**, Commission Staff shall file additional comments regarding administrative completeness, along with a proposed procedural schedule if appropriate.

Signed at Austin, Texas the 10th day of February 2017.
