Re: Application from T & W Water Service Company
to Amend Water CCN No. 12892 in Liberty County, TX
Docket No. 46743

Dear Public Utility Commission of Texas:

Please accept the following in response to Commission Staff's Response to Order No. 1, Recommendation on Sufficiency.

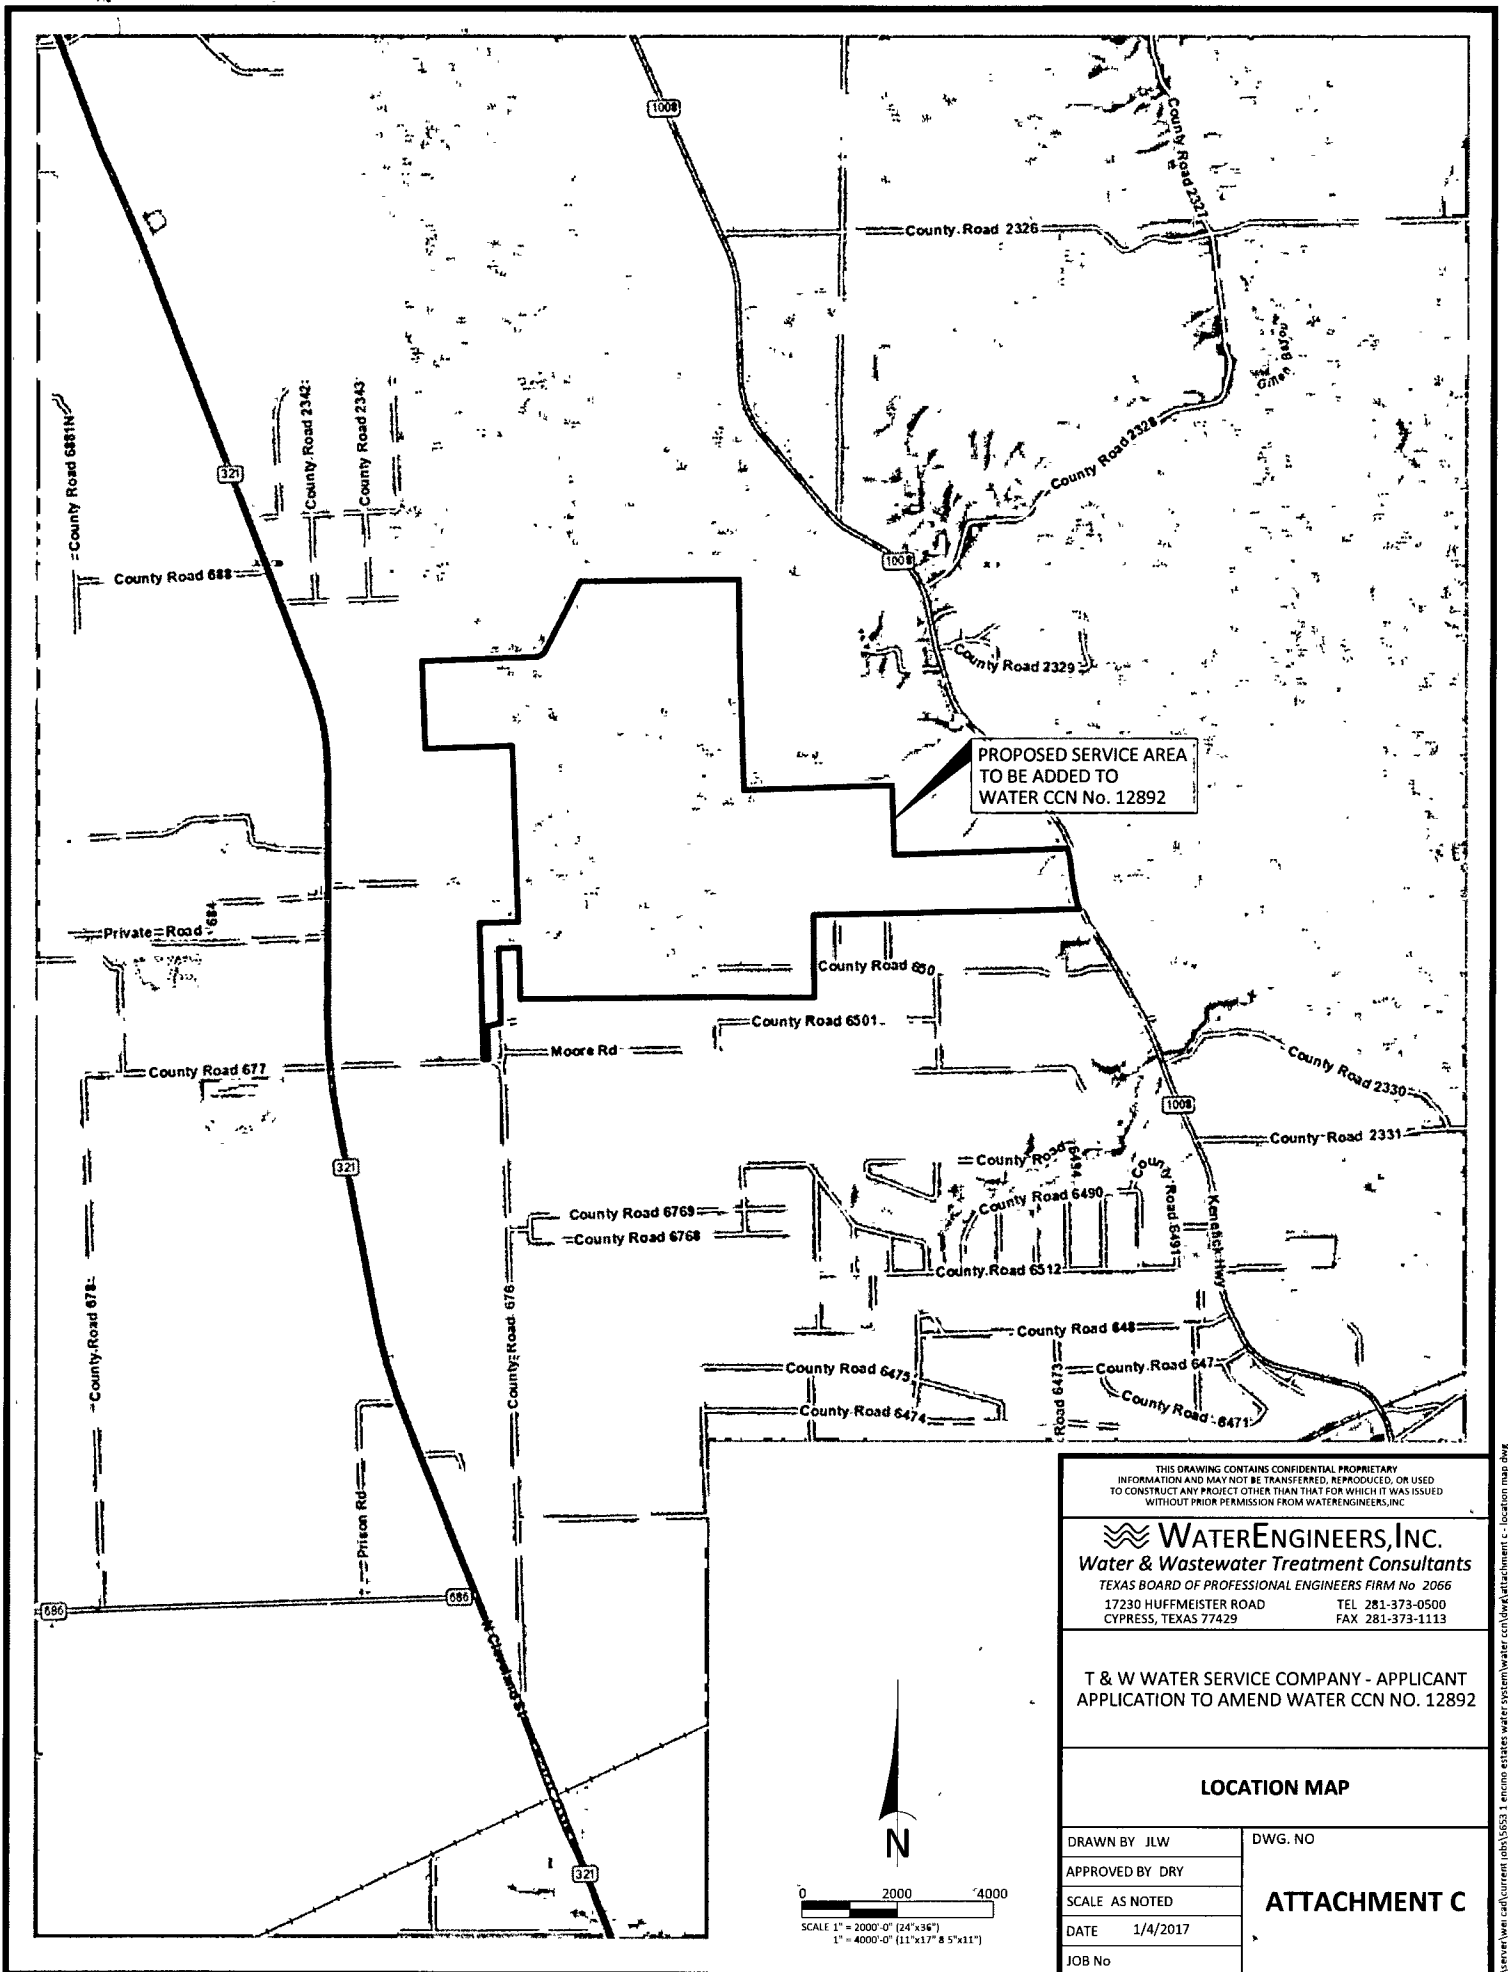

1. **MAPPING.** Please find enclosed seven copies of revised Attachment C – Location Map. The map has been expanded to show more area in reference to verifiable man-made and natural landmarks. Although the previously submitted cd's containing the drawing files included shapefile formats, we are including them here again.
2. **FINANCIAL REVIEW:** The utility intends to build the new water system using cash reserves on hand and will not be obtaining funds from other sources.
3. **TECHNICAL REVIEW:** The TCEQ is currently reviewing water plant and water distribution plans – Log No. P01312017-184. The subdivision plat has not yet been approved by Liberty County. The developer and Liberty County are currently discussing drainage issues.

Please feel free to contact me if you require any additional information or if you have any questions regarding this submittal.

Sincerely,
WATERENGINEERS, INC.
