**ORDER NO. 7
ABATING PROCEEDING,
ESTABLISHING DEADLINE FOR STATUS REPORT**

This Order addresses Commission Staff's December 11, 2017 recommendation on the sufficiency of Kamira Water System's application to amend their certificate of convenience and necessity to transfer certain facilities to the newly formed Bracero Water Supply Corporation. Commission Staff has concluded that the facilities cannot be transferred to Bracero until they possess a CCN or file for exemption from the requirement to possess a CCN to provide retail water utility service. Commission Staff recommended that this docket be abated pending the filing of an application by Bracero.

The docket is abated for 60 days from the date of this Order. Commission Staff and Kamira shall file a joint status report on January 26, 2018.

Signed at Austin, Texas the 29TH day of December 2017.
