COMMISSION OF TEXAS

**CITY OF PRINCETON'S RESPONSE TO ORDER NO. 2**

COMES NOW the City of Princeton, Texas ("City" or "Princeton") and files this Response to Order No. 2. The City would respectfully show as follows:

**I. Introduction**

Order No. 2 in this docket requires the parties to recommend how this case should proceed and propose a procedural schedule. This Response is timely filed.

**II. Response to Order No. 2**

This case is similar to PUC Docket No. 46452 wherein North Collin Special Utility District ("North Collin") seeks the CCN area currently certificated to Altoga. The City has been working with North Collin and Altoga to come to a negotiated agreement regarding service territory. The parties in PUC Docket No. 46452 requested an extension to propose a procedural schedule in that docket to April 14, 2017. The request was granted. See Exhibit A, attached hereto.

Once settlement in that case is accomplished, it will affect the notice that will be needed in this case. Thus, the City requests an extension for proposing a procedural schedule in this case for at least thirty days to allow the parties to work on finalizing a settlement. Such a settlement will necessarily affect the notice needs to provide in this case.

### **III. Conclusion and Prayer**

The City respectfully requests the Commission:

- (1) Extend the need to file a proposed procedural schedule for at least thirty days.
- (2) Grant the City all other and further relief to which it is justly entitled.

Respectfully submitted,
