***Notice to Neighboring Systems, Cities and Landowners***  
**NOTICE OF APPLICATION TO AMEND CERTIFICATES OF CONVENIENCE AND  
NECESSITY (CCN) FOR THE PROVISION OF WATER AND SEWER SERVICES IN  
COLLIN COUNTY, TEXAS**

To: City of McKinney  
222 N. Tennessee Street  
McKinney, TX 75069

Date Notice Mailed: April 12, 2018

The City of Princeton filed an application with the Public Utility Commission of Texas to amend its Certificate of Convenience and Necessity (CCN) Nos. 13195 and 21057 for the provision of water and sewer service in Collin County.

The requested water and sewer areas are located approximately between 2 and 6 miles north of downtown Princeton, Texas, and is generally bounded on the north by CR 471; on the east by CR500 and CR 494; on the south by Monte Carlo Blvd; and on the west by CR 409, FM 1827, and CR 406. The requested water service area includes approximately 2633 acres. The requested sewer service area includes approximately 1636 acres.

**See enclosed map showing the requested area.**

*Persons who wish to intervene in the proceeding or comment upon action sought should contact the Public Utility Commission, P.O. Box 13326, Austin, Texas 78711-3326, or call the Public Utility Commission at (512) 936-7120 or (888) 782-8477. Hearing- and speech-impaired individuals with text telephones (TTY) may contact the commission at (512) 936-7136. The deadline for intervention in the proceeding is (30 days from the mailing or publication of notice, whichever occurs later, unless otherwise provided by the presiding officer). You must send a letter requesting intervention to the commission which is received by that date.*

If a public hearing is requested, the Commission will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

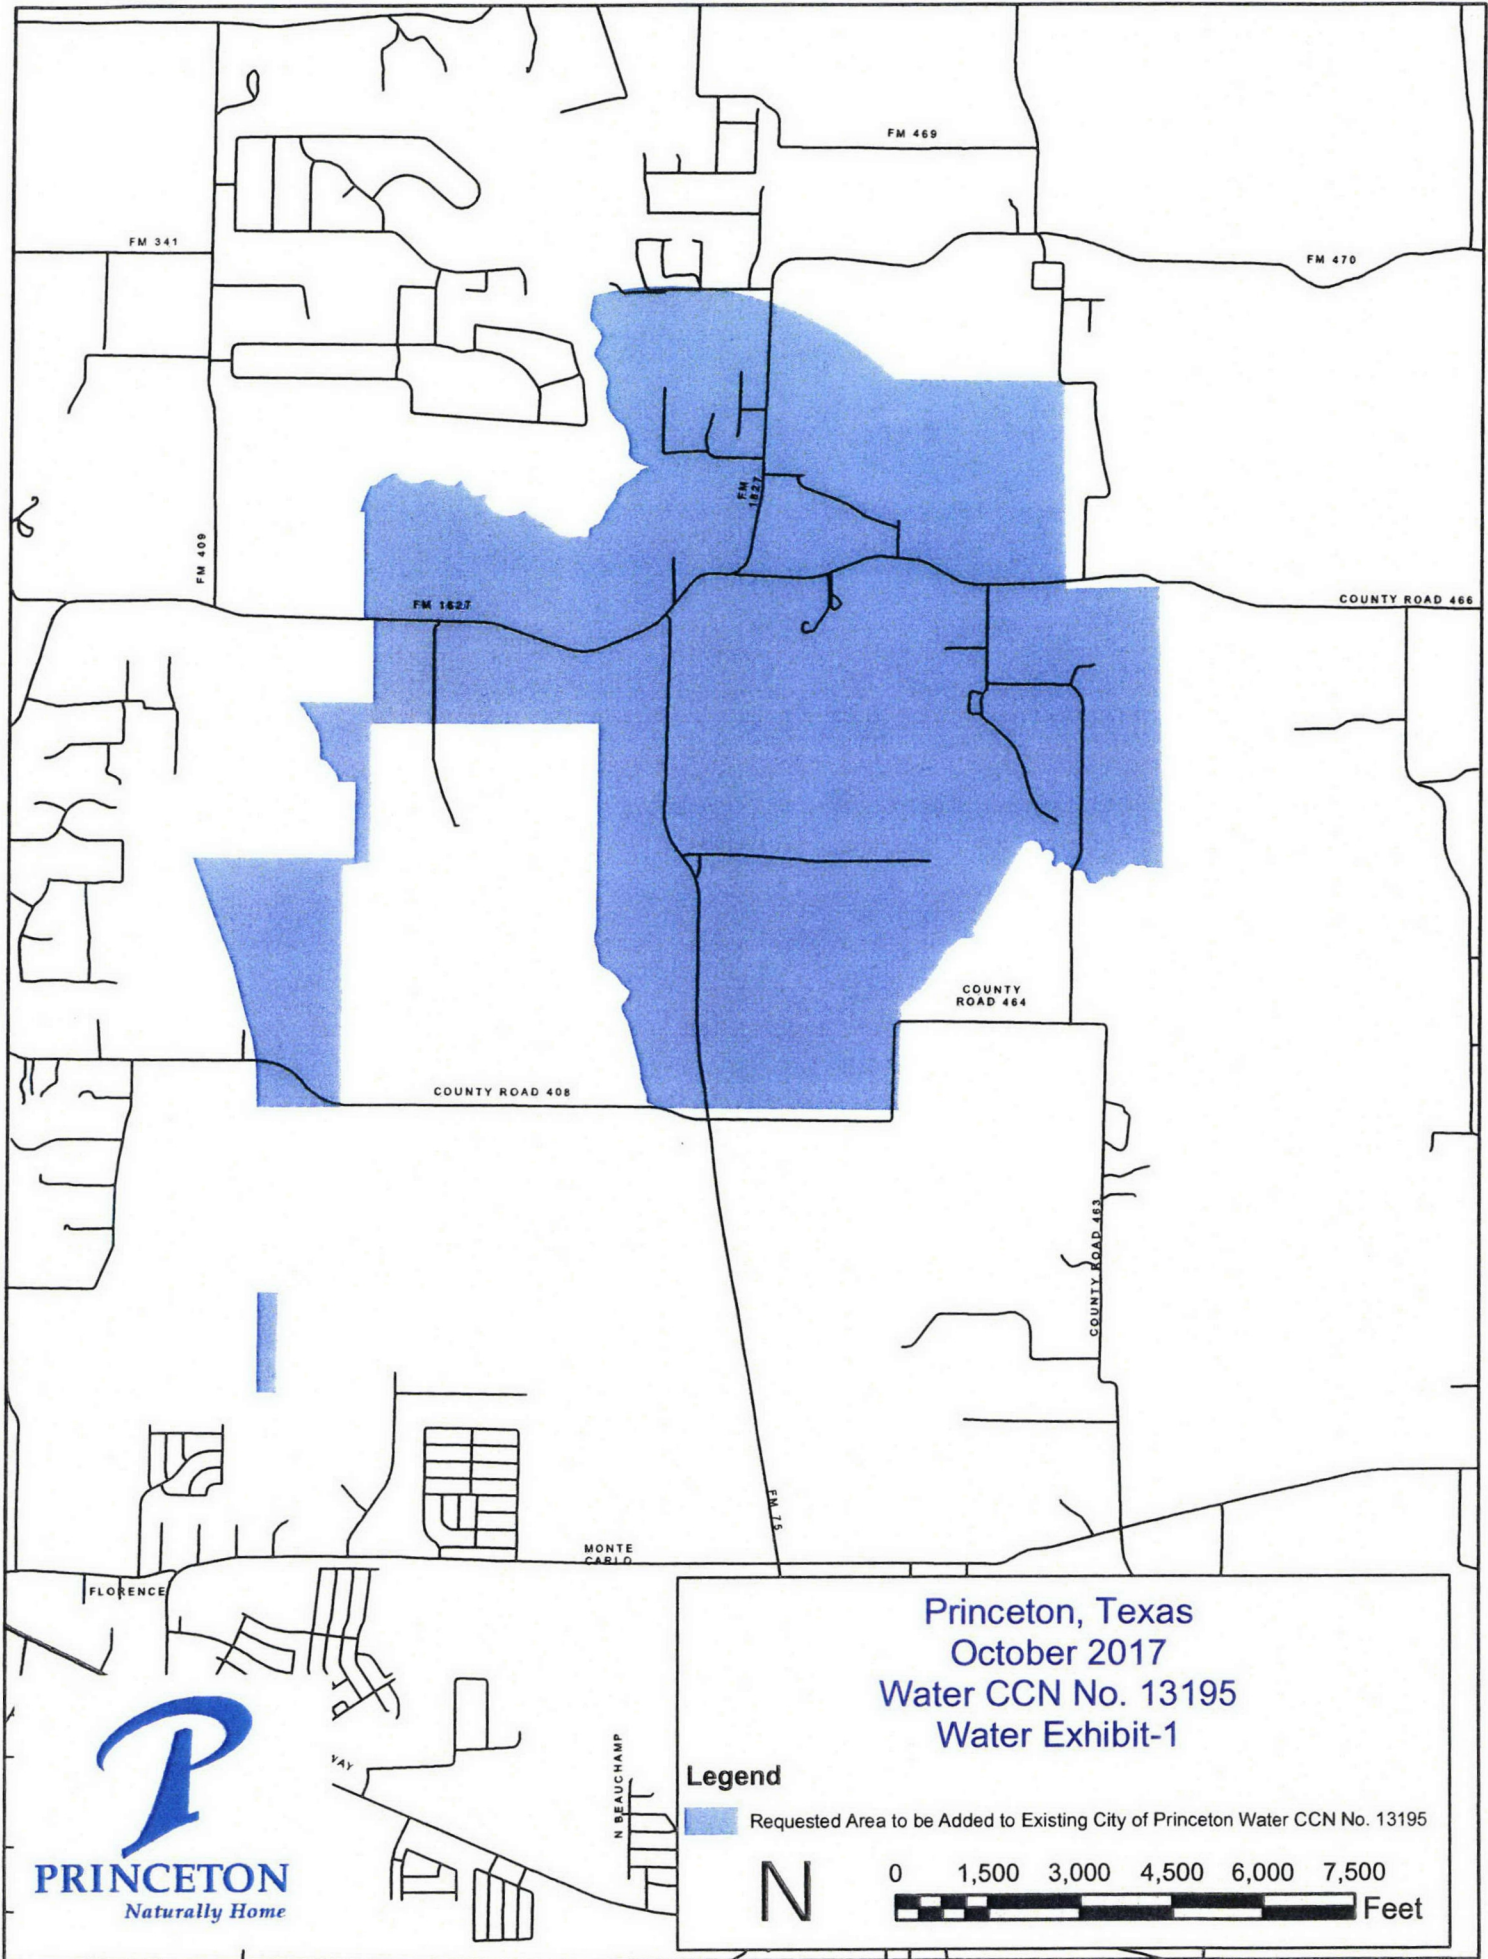

If you are a landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the proposed service area, you may request to be excluded from the proposed service area (or "opt out") by providing written notice to the Commission within (30) days from the date that notice was provided by the applicant. All requests to opt out of the requested service area must include a large scale map and a metes and bounds description of the tract of land.

Persons who meet the requirements to opt out, and wish to request this option should file the required documents with the:

Public Utility Commission of Texas  
Central Records  
1701 N. Congress, P. O. Box 13326
