**ORDER NO. 14
GRANTING EXTENSION AND
AMENDING PROCEDURAL SCHEDULE**

This Order addresses the City of Princeton's (Princeton) request for extension and Commission Staff's July 31, 2018 proposed procedural schedule. On June 7, 2018, Princeton filed a Notice of Rule 11 Agreement to notify the Commission that the parties were working with each other to avoid the need for this docket to be referred to the State Office of Administrative Hearings and requested a one-month extension of time to respond to the motions to intervene by North Collin Special Utility District and Altoga Water Supply Corporation. Princeton noted that Commission Staff's filing of the final maps, certificates, and tariffs would also be delayed by a like time period. The intervenors have since withdrawn the intervention request.

The administrative law judge grants Princeton's request for extension of deadlines and adopts Commission Staff's proposed procedural schedule, as follows:

Deadline for Commission Staff to provide final maps, certificates, and tariffs (if applicable) to applicant for review and consent	August 14, 2018
Deadline for applicant to file signed consent forms with the Commission	August 28, 2018
If no hearing is requested, deadline for Commission Staff to file a final recommendation on the application	September 4, 2018
If no hearing is requested, deadline for parties to file a joint proposed notice of approval with detailed findings of fact and corresponding conclusions of law	September 11, 2018

Signed at Austin, Texas the 3rd day of August 2018.
