**ORDER NO. 17
REQUESTING CLARIFICATION**

This Order requests clarification from Commission Staff. The application and subsequent materials filed lack information on how many customers are currently in the requested area. Additionally, in North Collin Special Utility District and Altoga Water Supply Corporation's request for a contested case hearing and motion to intervene filed on May 23, 2018, North Collin and Altoga represented that Altoga was currently serving the requested area. Commission Staff's final recommendation filed on September 14, 2018, stated the City of Princeton was serving the requested area. The administrative law judge requests clarification on how many current customers exist, if any, and on which entity is currently serving the requested area.

Commission Staff must file a clarification statement no later than December 17, 2018.

Signed at Austin, Texas the 11th day of December 2018.
