**ORDER NO. 21
APPROVING PROPOSED SCHEDULE**

This Order addresses Commission Staff's March 19, 2019 status report and proposed schedule. Commission Staff reported that the Commission approved the application for the sale, transfer, or merger of facilities and certificate rights in Docket No. 46452; therefore, Altoga WSC is no longer certificated to the water service area at issue in this docket. The docket is able to proceed, thus, the parties proposed to file an amended motion to admit evidence and revised notice of approval by April 3, 2019.

The administrative law judge approves the proposed schedule.

Signed at Austin, Texas the 26th day of March 2019.
