**ORDER NO. 22
GRANTING EXTENSION**

This Order addresses Commission Staff's April 3, 2019 request for extension to file a motion to admit evidence and revised notice of approval. Commission Staff stated the service area will be dually certificated; therefore, North Collin Special Utility District's certificate of convenience and necessity will be amended. North Collin needs additional time to review and consent to the map and certificate. Commission Staff proposed to file a motion to admit evidence and a revised notice of approval on or before April 12, 2019. Commission Staff represented that the applicant has been notified and the applicant agrees to the extension and proposed schedule.

The administrative law judge approves the request for extension. Commission Staff must file a motion to admit evidence and a revised notice of approval on or before April 12, 2019.

Signed at Austin, Texas the 4th day of April 2019.
