**ORDER NO. 8
FINDING NOTICE INSUFFICIENT AND ESTABLISHING DEADLINES**

This Order addresses Commission Staff's November 10, 2017, recommendation regarding Water Necessities, Inc.'s proof of notice. Commission Staff recommended that the proof of notice be found insufficient because it did not include an example of the notice sent to neighboring utilities and other affected parties. Commission Staff recommended that applicant be afforded additional time to provide its supporting documentation and for Commission Staff to provide a supplemental recommendation regarding the supporting documentation.

Consistent with Commission Staff's recommendation, applicant's proof of notice is insufficient. The following deadlines, as proposed by Commission Staff, are adopted:

Event	Date
Deadline for Water Necessities to file supporting documentation regarding proof of notice	November 17, 2017
Deadline for Commission Staff to file a supplemental recommendation regarding supporting documentation	November 21, 2017

Signed at Austin, Texas the 13th day of November 2017.
