NOTICE FINDING APPLICATION SUFFICIENT AND SETTING DEADLINES

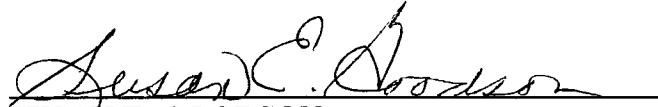

This Notice addresses Commission Staff's March 15, 2017 recommendations in this application as specified in the pleading and attached memorandum of Ricky Herrera of the Commission's Water Utility Regulation Division. Commission Staff recommended that the application be deemed sufficient for further review, but requires additional information before a final recommendation can be provided. Commission Staff recommended that Aqua Texas be permitted to collect the proposed pass-through rate as noticed and ordered to provide line loss information. In addition, on or before April 7, 2017, Aqua Texas shall supplement the application and provide the information requested by Commission Staff in its March 15, 2017 pleading and attached memorandum. On or before April 17, 2017, Commission Staff shall provide a final recommendation on this application.
