Re: Tariff Control No. 46922 – *Application of Oak Hill Estates Water, LLC to Implement a Pass-Through Rate Change*

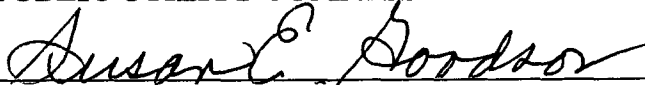

**NOTICE FINDING APPLICATION DEFICIENT
AND ESTABLISHING STAFF DEADLINE**

This Notice addresses Commission Staff's March 29, 2017 recommendation that this application be found deficient and administratively incomplete, for the reasons specified in the pleading and attached memorandum of Jonathan Ramirez of the Commission's Water Utility Regulation Division. This Notice also addresses Oak Hill Estates Water, LLC's April 10, 2017 filing, which appears to address some of the identified deficiencies, and re-styles this proceeding to reflect the correct name of the utility.

Consistent with Commission Staff's recommendation, this application is deficient and Oak Hill's requested effective date is delayed until the deficiencies are cured. On or before **April 25, 2017**, Commission Staff shall file a supplemental recommendation on the sufficiency of this application and propose additional deadlines, as needed.

Signed at Austin, Texas the 11th day of April 2017.
